Subject: FW: Survival Gear Count

LCDR Peterson,

The table lists all the major survival equip that is now centrally located at CG Sand Island warehouse. Chain of Custody forms have been established for the equip taken from the NAVSTA. Each item was not tagged as per our conversation. Chief Garcia and crew were extremely helpful as expected. They supplied the truck and stowage of the items from NAVSTA.

RECOVERED SURVIVAL EQUIPMENT (as of 12Feb01)

TYPE	SERIAL #	LOCATION
25 person life raft	250054A	CG Sand Island
25 person life raft	250055A	CG Sand Island
