Activities of [redacted]
for 72 hours prior to KITION Job

On February 6, 2007, I came on the M/V Margaret F. Cooper. From 2/6/07 at 0800 until 2/7/07 at 0100 hours I relaxed, watched a couple of movies and went to sleep. From 0100 hours on 2/7/07 until 0145 hours, I was working, Turned Down Missouri for sea. This job lasted 45 minutes. From 0230 until 2135 hrs I watched the news, ate, and laid down & rested. From 2135 hours on 2/7/07 until 2330 hours, I worked, assisting a ship into Apex dock. From 2330 on February 7, 2007 until February 8 at 2130 hours, I slept through the night, got up, ate breakfast straightened the wheelhouse and took a nap. On February 8, 2007 from 2130 hours to 2330 hours, We put the M/V Nestor into the Exxon Dock. From then I went to bed. The next day, I got up straightened up the boat, relaxed, watched movies. But we did no jobs on February 9, 2007. My next activity was the M/V KITION job which started at 0600 on 2/10/07
