06/29/2008

15:32:41 Alarm triggered- This is Angel One Med Channel three
15:33:04 Call answered- Coconino eleven ninety this is Kari RN, Doctor Ed Hiltner
standing by go ahead please
15:33:13 This is, Uh, Angel One with an approximate ETA of about fifteen minutes
to your facility, we have a, Uh, (broken-sixty?) five year old male patient
who was brought into LCMC here in Winslow for , Uh, respiratory, Uh,
failure, patient is, Uh, vented and we do have him paralyzed and sedated at
this time, pressure on him is one forty five over eighty one, pulse is, Uh,
seventy four, normal sinus rhythm and he is satting at a hundred
percent, we will be following with our, Uh, protocols, Uh, we should be
there like I said in about fifteen minutes, Uh, with a, Uh, cold off load and
if we could get, Uh, maybe a little extra help if we could unloading him
and he is going to be a direct admit to the ICU. Copy?
15:33:56 Copy that, Uh, this will be eleven ninety clear if you have nothing further
we will let them know
15:34:02 Angel One will be clear
15:34:05 Call terminated
