Transcript of MedCom Dispatch Center Recording

RE: DFW08FA062 – N911VA at South Padre Island TX on February 5, 2008

This transcription covers the recording of radio transmissions from the accident helicopter on the Motorola SmartNet 800 MHz radio system which was recorded at the MedCom Dispatch Center in Harlingen, Texas. This recording covers the 29 second time period from February 5, 2008, 20:53:00 CST, to February 5, 2008, 20:53:29 CST.

The person making the transmissions is thought to be Raul Garcia, the Flight Nurse (FN), who was onboard the helicopter and was thought to be sitting the center rear seat of the helicopter.

20:53:01	FN	uh i got lights here
20:53:06	FN	(unintelligible) follow the uh the lights out
20:53:12	FN	ok follow the lights out
20:53:23	FN	(unintelligible) we're in the clouds again we're gonna abort transport patient by ground
