Re: Panther I  
Vessel Sinking – 12/30/02

Dear Mr. Ford:

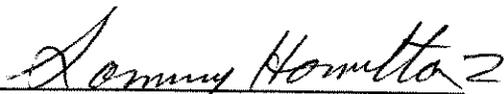

As a Party to the referenced investigation conducted by the National Transportation Safety Board, it is requested that you please provide us with all information developed by the NTSB in its investigation. In this regard, please include a copy of all investigators' notes and field notes, as well as, transcripts (or recordings) of witness interviews conducted by the NTSB with respect to its investigation.

We have been also cooperating with the United States Coast Guard, Lieutenant Commander Bowling, in terms of providing additional information. In this connection, Lieutenant Commander Bowling indicated that you had provided the Coast Guard with some of the NTSB's notes and transcripts. If there is a charge for obtaining these transcripts, please advise and we will submit payment as soon as possible.

Thank you for your assistance.

Sincerely,

Everglades National Park Boat Tours, Inc.
