Good Day Captain,

I have received the paperwork for the unannounced Drug and Alcohol testing conducted on board your vessel on 08 February 2007 at Venice, Italy. As previously advised the 22 crew tested were all found to be negative. I have mailed to you today the testing certificate and results for your vessel's records. Once received, please place this information in the Master's File No.8 "Drug & Alcohol Testing / Monthly Report of Alcohol Consumption".

Please contact me if you have any questions or concerns regarding this matter.

Best Regards,
