ORDER DISMISSING PETITION

On consideration of respondent's petition for modification of Board Order No. EA-4929 (served December 18, 2001), which granted his appeal from an order of suspension, and the Administrator's reply, we conclude that it seeks relief not available under Rule 50 of the Board's Rules of Practice.¹

¹See Administrator v. Hampton, 6 N.T.S.B. 220 (1988) ("The Board does not entertain ... petitions for modification that merely seek the correction or clarification of factual or textual matters that have no significant bearing on the validity of the legal conclusions reached in a Board order.").

ACCORDINGLY, IT IS ORDERED THAT:

The petition is dismissed.

BLAKEY, Chairman, CARMODY, Vice Chairman, and HAMMERSCHMIDT, GOGLIA, and BLACK, Members of the Board, concurred in the above order.
