Date: December 27, 2021

To: All NTSB Employees

From: Jennifer L. Homendy
      Chair

Subject: Diversity, Equity, Inclusion, and Accessibility Policy Statement

The National Transportation Safety Board (NTSB) is fully committed to promoting a diverse, equitable, inclusive, and accessible workplace. Our core values are integrity, transparency, independence, excellence, diversity, and inclusion.

Under Executive Order 14035, dated June 25, 2021, Diversity, Equity, Inclusion and Accessibility (DEIA) are defined as follows:

- **Diversity** is the practice of including the many communities, identities, races, ethnicities, backgrounds, abilities, cultures, religions, and beliefs of the American people, including underserved communities.

- **Equity** is the consistent and systematic fair, just, and impartial treatment of all individuals, including individuals who belong to underserved communities that historically have been denied such treatment.

- **Inclusion** is the recognition, appreciation, and the use of the talents and skills of employees of all backgrounds and beliefs.

- **Accessibility** is the design, construction, development, and maintenance of facilities, information and communication technology, programs, and services so that all people, including people with disabilities, can fully and independently use them.

I have issued NTSB policies to emphasize the importance of our shared commitment to provide a diverse, equitable, inclusive, and accessible work environment. With our Diversity and Inclusion Advisory Council (DIAC), we have made great strides in promoting DEIA at the NTSB, but we have more work ahead. Working together, we will create and maintain an equitable, inclusive, diverse, accessible, respectful, professional, and engaged workplace culture at the NTSB. Thank you for your continued support of this initiative and for all of the valuable contributions you make each day.
