The screenshot shows the NTSB website's event page for the Pedestrian Safety Forum. The header includes the NTSB logo and navigation links such as HOME, NEWS & EVENTS, SAFETY ADVOCACY, INVESTIGATIONS, DISASTER ASSISTANCE, LEGAL, ABOUT, and PUBLICATIONS. The main content area features a yellow diamond-shaped sign with the text 'PEDESTRIAN SAFETY FORUM' and a silhouette of a pedestrian. The text on the page provides details about the forum's location at the NTSB Conference Center in Washington, DC, on May 10, 2016, and describes the four panels of discussion. A right-hand sidebar contains sections for 'Related Information' (including Pedestrian Safety, Panel Descriptions, Biographies, Staff, and Agenda), 'Contact' (pedestriansafety@nts.gov), 'Connect with NTSB on' (Twitter and Facebook), 'Related Press Releases' (April 25, 2016), and 'More NTSB Links' (Investigation Process, Data & Stats, Accident Reports, and Most Wanted List).
