## Efforts to Promote Professionalism in Pilot/ATC Communications Include

- Articles in our media publications -  
IPNN, Safer Skies, Flight Times to explain  
and clarify ATC procedures from controllers  
point of view. Including 7110.65 and AIM  
references

- Coordinated with SDF TRACON to publish a direct contact phone # for our crews schedule visits to the TRACON
- Invited SDF NATCA FAC REP to attend an IPA General Membership meeting for Q & A session
- Working to create opportunities for pilots and controller to meet wherever and when even possible
- Promoting re-instatement of ATC FAM program
- Presented idea to NATCA Safety committee at CFS forum for a Pro-Std to Pro-Std (IPA/NATCA) direct communication link based on the Professional Standards Committee model
