# Survival Factors

Liam LaRue

# Pre-departure Safety Brief

- Required by CG regulation and RTD policy
- Must include:
  - Location of emergency exits
  - Location of lifesaving equipment
  - Demonstration of donning lifejacket

# Pre-departure Safety Brief

- Ineffective
  - Did not explain what to do in an emergency
  - Did not demonstrate donning a lifejacket
- Post-accident actions taken by RTD
  - Standardized, rescripted briefing
